Looking for Ways to Support your Organization's Disability Knowledge?

“Disability IQ” Professional Development Center Series
“Disability 101” Course

**Free Access for Non-members Now Available
for Q1 2023* (a \$4,500 value)**

This course was designed by [C5 Consulting, LLC](#), a leading disability strategy firm with more than 20 years of corporate disability leadership, and is a member benefit for [Disability:IN DC Metro](#) members. [Become a DC Metro member](#) to extend course access for an entire year. Disability 101 is a primer that provides an overview of disability inclusive language, updated to include both person-first and identity-first, and neurodivergent. It provides examples of appropriate etiquette and interaction with individuals using wheelchairs or other mobility devices, individuals who are blind or have low vision, deaf or hard of hearing, as well a discussion of non-apparent disabilities. Audience: Boards of Directors and entire workforce. The session takes 25-30 minutes. It is one of 13 courses included in “Disability IQ.”
